ISB Overview

Our Vision

The Indian School of Business (ISB) was established with a vision to become an internationally top-ranked, research-driven, independent management institution that grooms future leaders for India and the world.

Shape the Future

At ISB, we empower business leaders with knowledge and character to shape tomorrow, today.

Partner School

Triple Crown Accreditation

The Triple Accreditation, also known as the 'Triple Crown' is awarded by the three largest and most influential global accreditation organisations. Held by less than 1% of all schools, ISB is only the 100th institution to receive this rare honour.

FMCG / Retail

ISB follows two-offer policy for placements.

Trends

364

companies registered for the campus placements

1164

job offers were generated

The Class of 2025 at ISB demonstrated outstanding performance in placements, with 364 reputed companies extending 1164 job offers. This achievement attests to our students' knowledge of best business practices and their ability to balance expertise with effective management skills to contribute to the success of their respective organisations. Industry leaders and alumni played a critical role in our students' success by engaging with them in various forums to impart insights on latest trends and opportunities.

Placement Highlights & Trends

10

Major recruiters such as McKinsey, Nagarro, Deloitte, BCG, PWC, Phonepe, Indus Insights and Mastercard made substantial hires, each recruiting over 20 students.

44

International placements remained robust, with 44 offers across regions such as Southeast Asia, the Middle East, and Africa, providing valuable exposure to global business environments.

16%

FMCG/E-commerce, Media & Entertainment, Pharma, Infrastructure/Manufacturing and Conglomerates accounted for 16% of the total offers, with key job roles being Business Strategy, Brand Manager, Marketing, Corporate Planning, Product Manager, and Leadership Programs.

34%

Business and strategy consulting emerged as a top career choice, attracting a significant share of the class. These roles accounted for 34% of overall placements.

66

Establishment of connections with over 66 new clients, tapping into ISB's talent pool.

12%

The BFSI sector accounted for 12% of total offers, with key segments being Investment Banking, Venture Capital, and Fintech, highlighting ISB's contribution to talent development in the evolving financial services industry.

78%

Consulting, Technology and BFSI emerged as the top three sectors for hiring, with over 75% of offers originating from these industries. They sought talent across diverse work experience backgrounds for strategic and digital transformation projects

40%

Female representation in the cohort reached 40%, with women securing offers across various roles and sectors. Collaborative efforts between the Women in Business Club and Career Advancement Services facilitated mentorship and knowledge exchange.

300+

More than 300 recruiters took part in the placement process, with most offering multiple roles to ISB students.

First-time recruiters including Jefferies, Amadeus, Simon-Kucher, CarDekho, Suez India, Okta Inc, Hero Fincorp, Stonex India, Salesforce, Amadeus, Practus Advisors introduced diversity and high-quality opportunities.

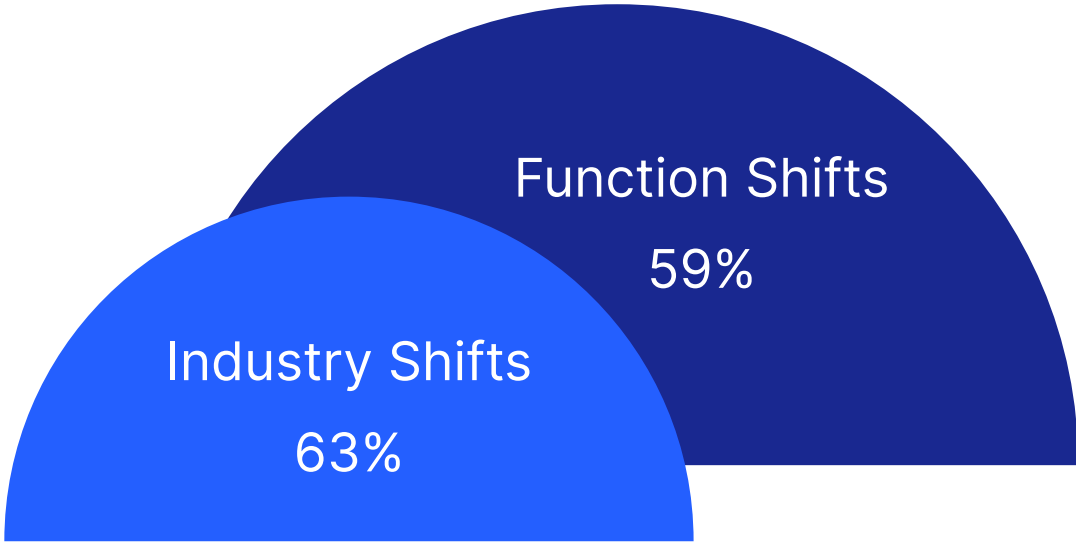

Emerging sectors like Electric Mobility, Q-Commerce and Global Capability Centres demonstrated significant hiring intent, underscoring ISB's adaptability to industry demands.

The class of 2025 witnessed a surge in leadership roles across sectors and geographies, including Chief of Staff, Senior Director and CEO positions.

Senior executive members of the cohort, with 6 to 22 years of experience, brought a wealth of expertise across industries. Recruiters hired them for senior-level roles such as CEO's and General Managers, showcasing ISB's relevance in grooming seasoned professionals.

Placement Statistics

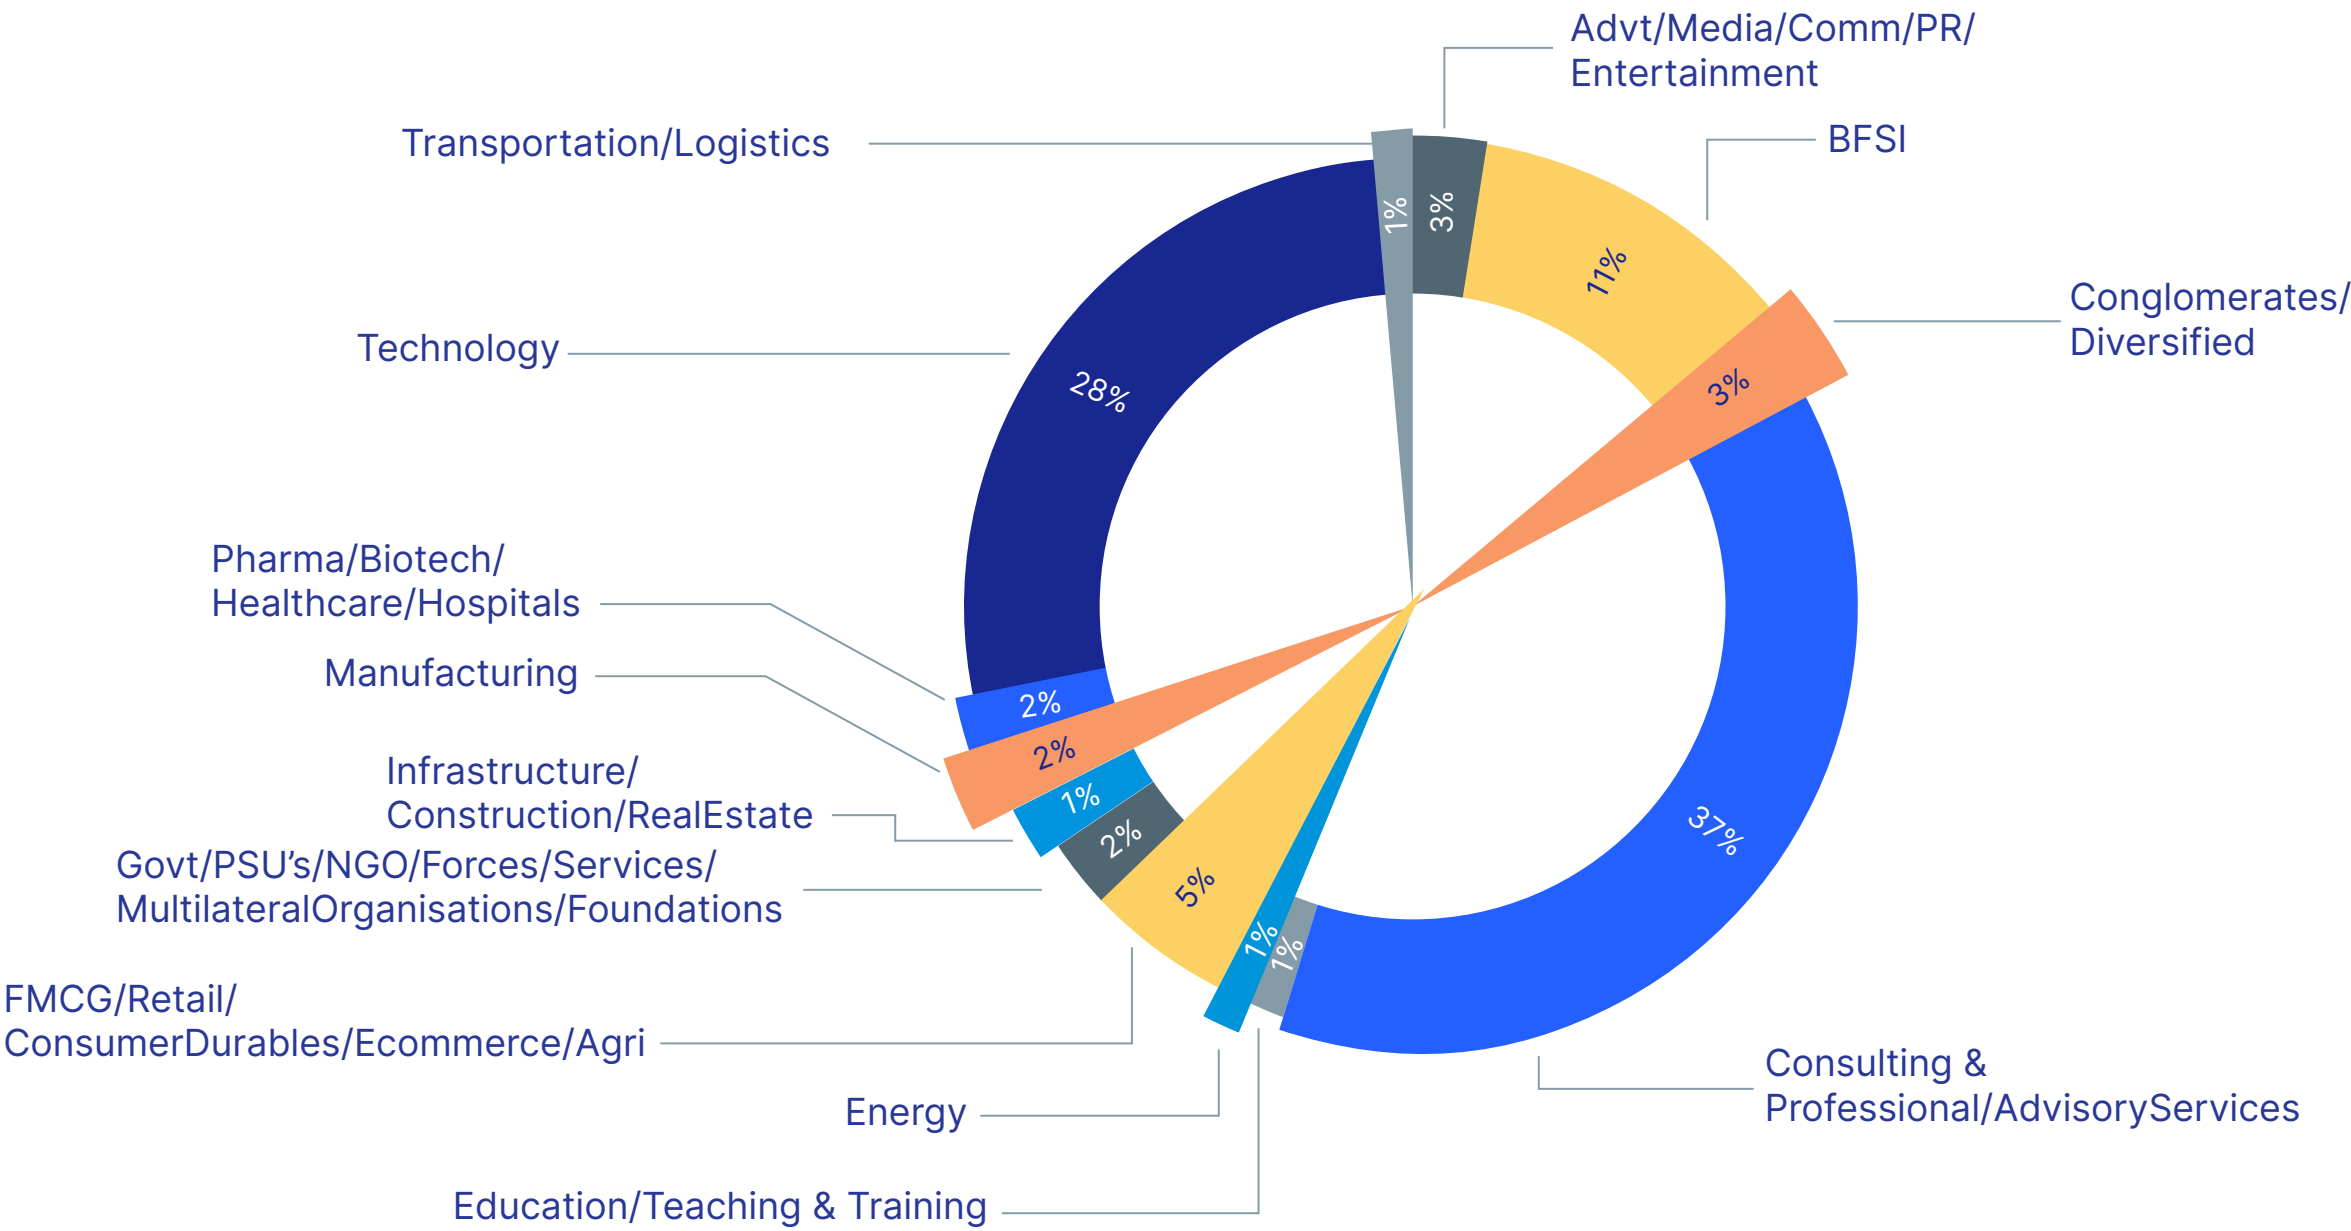

For the Class of 2025, 63% of students successfully transitioned to a new industry, and 59% shifted to a new function.

Positive Career Pivots from Class of 2025

Regardless of their professional history, ISB graduates excel in varied sectors and leadership roles. The 2025 cohort stands as a testament to ISB's commitment to enabling transformative career journeys.

Defence Agency to Chief of Staff

A former central intelligence officer now serves as Chief of Staff at a leading tech firm, driving strategic initiatives - an outcome enabled by the comprehensive leadership and management training at ISB.

Operations Manager to FMCG Sales

An operations manager at a gas center successfully transitioned to a sales and distribution strategy role at a leading FMCG brand, supported by ISB's comprehensive management program.

Chartered accountant to Management Consulting

A former Chartered accountant with expertise in operational improvements, revenue leakage prevention, and cost optimization transitioned to a Junior Associate role in management consulting-powered by ISB's rigorous management curriculum and consulting-focused training.

Journalist to Co-Founder

A former TV anchor transitioned into entrepreneurship, launching her own company—guided by ISB's curriculum that nurtures and harnesses entrepreneurial ambition.

Software Development to Product Management

A former Software Developer with expertise in production optimization, technical support, and dashboard creation transitioned to an Associate Product Manager role—enabled by ISB's strong focus on product strategy, business acumen, and cross-functional leadership.

Indian Railways to Management Consulting

A former engineer with Indian Railways made a successful industry shift into management consulting with a global firm, supported by ISB's curriculum that equips professionals for cross-sector transitions.
